The Honorable Kay Granger,
Chairwoman

H-307, The Capitol

The Honorable Rosa DeLauro, Ranking
Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Eastside Parallel Trail, South Project in fiscal year 2024. The entity to receive funding for this project is the City of Half Moon Bay, located at 501 Main Street

Half Moon Bay, California 94019. The funding would be used for conducting design, permitting, and environmental review for a Class 1, pedestrian and bicycle trail to provide a safe and equitable connection to employment, education, recreational, social, and cultural activities found in the downtown/central area of Half Moon Bay. The project is an appropriate use of taxpayer funds because it will provide critical bicycle and pedestrian connections between underserved residents and central commercial area of Half Moon Bay.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
